Greetings All,

Stephen and I purchased Ty'n Rhos on the 5th September this year. We had a busy September and October and managed to survive both the usual and unusual problems associated with taking over a hotel. With business slowing down for the winter we can now turn our attention to the hotel and plans for its future. Our first priority is to you our customers, without your support and business we wouldn't be here at all. Our second priority is to our staff who continually get praise for their helpfulness and friendliness on our guest feedback which you kindly complete before you leave.

We do hope to make a few changes to the hotel over the next couple of years, we hope these will add to the hotel without taking away any of its charm. We plan to create a new reception for the hotel rather than the 'door' which currently greets you! Karen and Robert are deservedly delighted at the prospect of greeting you across a proper reception desk. If you happen to be the first customer to check in following its completion a glass of Champagne will be your reward.

Cheers,

Stephen and Hilary Murphy

Christmas 2011

Christmas will soon be upon us, for those already booked to stay with us over the festive period, we look forward to your company and sincerely hope you have a wonderful warm and relaxed Christmas.

A prize will be given to the best slippers in the house, we hope you feel comfortable enough to wear them!

For special winter breaks, we are currently offering 3 nights for 2, dinner bed and breakfast, or 4 nights for 3 for bed and breakfast. Special offers also available on our Christmas packages.

Please see 'special offers' section on our website or call direct for further details

Ty'n Rhos Restaurant

We are now open for evening dinners, and Sunday lunch.

Take a look at our new menus and wine list on the website;
www.tynrhos.co.uk

Celebrate 2012

2012 is going to be a celebration year. We have the Queens Golden Jubilee, which has to be worth a special event in June.

We also have the London Olympics in July & August and although we are a long distance away in Wales, we can still mark the occasion with our own Olympic weekend. Watch out for details on the website.

In May the Olympic torch will be carried to the top of Snowdon - you could be up there with it, when will that happen again?

Ty'n Rhos Country House, Seion, Llanddeiniolen, nr. CAERNARFON, LL55 3AE.
